

REMARKS

Applicants respond to the Election of Species Requirement raised in the Office Action dated January 4, 2007. Claims 1, 6, 10, 11 and 13-28 are pending in this application. By this Amendment, claims 1, 6, 10 and 11 have been amended to better define the presently claimed invention. These amendments were not made to distinguish the presently claimed invention over the art of record.

Applicants hereby select the Species disclosed in Figure 24 for further prosecution. It is believed that all of the pending claims are readable on this elected Species.

Respectfully submitted,

FULWIDER PATTON LLP
